2019–2020 **Dependent** Verification Worksheet (V4)

Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information you reported on your FAFSA to verify that you provided correct information. We will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and your parent must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed. Our school cannot complete the verification and awarding process until this signed form and all requested tax documents are received from the student.

B. High School Completion Status

High School Completion Status

Provide one of the following documents to indicate the student’s high school completion status when the student begins college in 2019–2020:

- A copy of the student’s high school diploma.

- For students who completed secondary education in a foreign country, a copy of the “secondary school leaving certificate” or other similar document.

- A copy of the student’s final official high school transcript that shows the date when the diploma was awarded.

- A State certificate or transcript received by a student after the student passed a State-authorized examination that the State recognizes as the equivalent of a high school diploma (GED test, HiSET, TASC, or other State-authorized examination).

- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree.

- For a student who was homeschooled in a State where State law requires the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a copy of that credential.

- For a student who was homeschooled in a State where State law does not require the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a transcript, or the equivalent, signed by the student’s parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.

*If the student is unable to obtain the documentation listed above, he or she must contact the financial aid office.*

If you are unable to appear in person then skip to section D.

In addition, the student must sign, in the presence of the institutional official, the Statement of Educational Purpose provided below.
