MFA IN INTERDISCIPLINARY ARTS AND WRITING

The MFA in Interdisciplinary Arts and Writing is an innovative and radically interdisciplinary program, grounded in a culture of inquiry, flexible in schedule and structure, and designed for working adults who wish to hone their particular skills, while engaging in deep conversation across artistic genres.

OUR PROGRAM OFFERS:

• A two year, 39-unit terminal MFA, completed in five continuous semesters.
• Six-day residencies, supplemented with online coursework, plus optional summer intensives in the UK or Greece, and a Capstone Project.
• One-on-one mentorships with artists from your local community or who practice in either the Bay Area or internationally, and MFA faculty, all of whom are working art professionals.
• Small classes and a supportive environment.
• A cultural context and global perspectives on art-making.
• Guidance throughout all aspects of the program, and counsel for the next steps of your art career.
