On-Campus Employment Procedures & Applying for a Social Security Number

F-1 student visa holders are permitted to work part-time on the premises of the school that issued their currently valid I-20 while they are attending that school and maintaining their F-1 status. F-1 student visa holders are permitted by USCIS to work on campus up to 20 hours per week during the academic year (fall and spring semester) and up to 40 hours per week during break period, including summer semesters. You must secure a social security number prior to starting your employment. Working without authorization is a violation of F-1 student visa regulations and will result in your being out of status with the USCIS.

STEPS TO SECURING AN ON-CAMPUS JOB

1. **Search** for campus jobs by logging into MyCIIS and visiting Financial Aid > Federal Work Study & Student Employment. You could also approach departments about upcoming employment opportunities directly.

2. **Secure an on-campus interview.** It is a good idea to indicate your international student status in your letter of interest so that the department is aware of your unique employment circumstances. If you need help with your resume and cover letter, please check out the career page on MyCIIS at Student Life > Career Development.

3. A **CIIS Student Employment Contract** for the position will be provided to you by the hiring department once you are offered the job. Bring the contract to the International Student Advisor for a verification of eligibility signature and letter of eligibility required for the social security number application.

4. **Apply for a social security number** at the Social Security Administration Office prior to starting your new job. You must bring all required documents at the time of your visit. The Social Security Office is located at 90-7th Street, Annex 1st Floor, San Francisco, CA 94103. You can walk in for an appointment and it is recommended to get there early. Request a verification receipt of your application.

5. **Wait approximately two weeks for the social security card** to arrive in the mail. Store the original card in a safe place and never share the full number with anyone other than your employer, or on other financial applications (such as at your bank).

6. **Submit your Student Employment Contract to the Financial Aid Office** for further processing in the Financial Aid section.

7. **Contact CIIS Human Resources Office, hroffice@ciis.edu** or 5th floor of Mission Street campus to receive tax and other employment documents. When meeting with the HR Office, you must provide your social security number and a copy of your passport.

8. The **Fin Aid or HR Office will send an email to the student & supervisor** letting them know they can start working after HR sets everything up in payroll, MyCIIS, etc.

9. **You’re ready to work!** Your supervisor will call/email you to notify you to start work.
